## Message from the Grand Knight

Brother Knights,

A New Year, a new beginning 2011, everyone can adjust their lives. Chose to lose weight, stop smoking, the list goes on and on. Our goals as Knights of Columbus is to help protect human life, contribute time to our council and make sure the needy of our diocese can get assistance; those are our goals for 2011.

This year will be our fifth year as a council, I think we have come a long way in five years, we have completed many worthy projects for **Our Lady of Peace Parish** and we as Knights of Columbus will continue to strive to be an integral part of our parish.

Another important goal for Council #14282 in 2011 is that we need to add new members. We will have a good start on our goal as two new members will be added to our roster in January. We must continue to encourage the men of Our Lady of Peach parish to join our ranks and help us achieve our goals as Knights of Columbus.

I know present members are up to our future tasks and will continue to give their time and energy. Thanks to all the Knights of Council #14282.

Happy New Year, and may God bless you and your families.

Joe Yonadi, GK

## St. Raymond of Penafort 1175 – 1275 Priest January 23

Born near Barcelona, in 1175; died at Barcelona, January 6, 1275. He became professor of canon law in 1195, and taught for fifteen years. He left Spain for Bologna in 1210 to complete his studies in canon law. He occupied a chair of canon law in the university for three years and published a treatise on ecclesiastical legislation.

Raymond was attracted to the Dominican Order by the preaching of Blessed Reginald, prior of the Dominicans of Bologna, and received the habit in Barcelona in 1222. At Barcelona he was co-founder with St. Peter Nolasco of the Order of Mercedarians. He also founded institutes at Barcelona and Tunis.

His reputation for juridical science convinced the pope to employ Raymond's talents in re-arranging and codifying the canons of the Church. He had to rewrite and condense decrees that had been multiplying for centuries, and which were contained in some twelve or fourteen collections already existed.

The pope announced the new publication in a Bull directed to the doctors and students of Paris and Bologna in 1231, and commanded that the work of St. Raymond should be considered authoritative. During his tenure of

office he published a revised edition of the Dominican Constitution. St. Raymond was canonized by Clement VIII in 1601. His feast day is January 23.

### OLP Knights Free Throw Competition

Once again the OLP Knights are gearing up to hit the hardwood for our Annual **Free Throw Competition**. Always an exciting event, we will select free throw shooters to represent us in the district and state competitions. The competition is open to all boys and girls aged 9 to 12 years.

Winners in each age category will receive prizes and move on to the next round of competition. The OLP Competition will be held on **Saturday 8, 2011 at 7:00 PM** in the OLP Gym. **Andy Huck** and **Randy Etter** will be coordinating the event again this year. We need young shooters, so encourage your children, grandchildren, or neighbors to participate.

We need volunteers to help register the young folks and oversee the event. In order to volunteer you must have taken the **"Protecting God's Children"** course. If you would like to help, please contact Andy Huck at [ahuck@insight.rr.com](mailto:ahuck@insight.rr.com).

### Night of 1,000 Meatballs – A Recap

The pasta dinner on December 4<sup>th</sup> was a big success! It may have been our best effort yet. **Tom Gulla** sends thanks to: **Mike Semon** and son **Michael** for their garlic bread artistry; **Gino Dettorre** for the first class piano entertainment; the excellent 8<sup>th</sup> Grade servers and their parents for

making the evening so successful. **We sold out** – 48 pounds of pasta and 180 dinners served – all to benefit the 8<sup>th</sup> Grade class trip. Thanks to the many Knights who volunteered and to Tom, the Pasta Boss, for organizing the event.

### As Said by the Pope

*"We are working for the Kingdom of God, and we do not do so with the gloomy spirit of those who see only insufficiencies or perils. We work with the firm trust of those who know they can count on the victory of Christ."*

*Pope John Paul II*

### Right to Life News

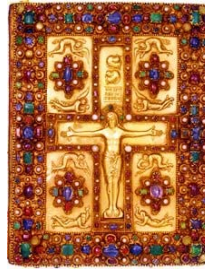

### OLP Right to Life Presentation

On **Sunday, January 9, 2011, at 6:00 p.m.**, the parish will host a presentation by **Ruth Yorston**, Executive Director of the **Greater Columbus Right to Life**. The Catholic Church proclaims that human life is a precious gift from God; that each person who receives this gift has responsibilities toward God, self and others; and that society, through its laws and social institutions, must protect and nurture human life at every stage of its existence. Please join us for this important and informative pro-life presentation. **For more information regarding the presentation contact Deacon Jeffrey Fortkamp.**

### Catholic Reading

*A Soldier Surrenders*, By Susan Peek, Ignatius Press, \$12.71

This is the story of the dramatic

conversion and inspiring life of the soldier **Camillus de Lellis** who lived in the late 1500's, and was the founder of the religious order known then as "Ministers of the Sick", and now called the "Hospitallers". His story is filled with drama: military battles, sickness and disease, conversion to God, and great charity for countless suffering people.

# HAPPY BIRTHDAY

**Ron Zielke – January 3**  
**Michael Vaeth – January 14**  
**Doug Obergefell – January 21**  
**Robert Steinbauer – January 28**

**Everything I need to know, I learned from Noah's Ark**

**One:** Don't miss the boat.

**Two:** Remember that we are all in the same boat.

**Three:** Plan ahead. It wasn't raining when Noah built the Ark.

**Four:** Stay fit. When you're 600 years old, someone may ask you to do something really big.

**Five:** Don't listen to critics; just get on with the job that needs to be done.

**Six:** Build your future on high ground.

**Seven:** For safety's sake, travel in pairs.

**Eight:** Speed isn't always an advantage; the snails were on board with the cheetahs.

**Nine:** When you're stressed, float a while.

**Ten:** Remember, the Ark was built by amateurs; the Titanic by professionals.

**Eleven:** No matter the storm, when you are with God, there's always a rainbow waiting.

### The Trip to McArthur, Ohio

The annual trip to St. Francis Mission in McArthur, Ohio in October was a great success. Bob Brehm sent these pictures to document the trip – Thanks, Bob!

Time to unload the truck

Knights, helpers and St. Francis Mission staff – another job well done!
