Message from the Grand Knight

Brother Knights,

I think it's time we start building an ark, eight inches of rain in April – Wow! We can all hope and pray that May is going to be dry. I hope all my fellow Knights and their families had a good and joyous Easter.

This month I would like to speak to the issue of dues payment. I have been notified by our Financial Secretary Brother Ted Morse that we have **28** Knights who have not paid their dues for 2011. Brother Knights, that's over eleven hundred dollars we need to sustain our council activities for the year – please try to pay your dues by May 31st. Please send your payments to **Ted Morse, 1377 Clubview Blvd., Columbus, Ohio, 43235-1633**. If for some reason you have a financial issue and cannot pay your dues, please let Ted Morse or I know and we will work with you.

I want to remind you that Saturday, May 7th from 9:00 AM to 1:00 PM we will be collecting for the annual **Measure Up** campaign at Henderson and High Streets. We have all the legal permits to collect from the intersection. Please contact Chairman **Chad Ogden** by email to let him know what time you can help; this is a very worthy cause, Brother Knights.

Our council is planning a social evening out on **Thursday May 12th** to meet new members and just get together for some fellowship. We will try chicken wings instead of pizza this time out. Please try to join us. Enjoy the good dry weather in May (fingers crossed) and stay safe.

JOE YONADI GK

**St.
Bernardine
of Siena,
Priest
1380-1444
May 20**

He was the greatest preacher of his time, journeying across Italy, calming strife-torn cities, attacking the paganism he found rampant, attracting crowds of 30,000, following St. Francis's admonition to preach about "vice and virtue, punishment and glory."

Compared with St. Paul by the pope, Bernardine had a solid holiness and boundless energy and joy. He accomplished all this despite having a very weak and hoarse voice, miraculously improved later because of his devotion to Mary.

When he was 20, the plague was at its height in his hometown, Siena. Bernardine offered to run the hospital and, with the help of other young men, nursed patients there for four months.

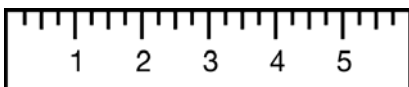

At 22, he entered the Franciscan Order and was ordained two years later. For almost a dozen years he lived in solitude and prayer, but his gifts ultimately caused him to be sent to preach. He always traveled on foot, sometimes speaking for hours in one place, then doing the same in another town.

Especially known for his devotion to the Holy Name of Jesus, Bernardine devised a symbol—IHS, the first three letters

of the name of Jesus in Greek, in Gothic letters on a blazing sun. This was to displace the superstitious symbols of the day. The devotion spread, and the symbol began to appear in churches, homes and public buildings.

General of a branch of the Franciscan Order, the Friars of the Strict Observance, he strongly emphasized scholarship and further study of theology and canon law. He returned to preaching the last two years of his life, dying while traveling in 1444.

Measure Up!

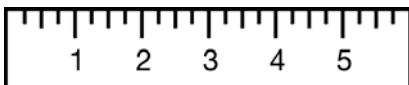

Our annual Measure Up campaign and collection will be held on **Saturday, May 7, 2011**. The Measure Up campaign benefits those with developmental disabilities and the Columbus Special Olympics.

The OLP Knights will be collecting at the intersection of Henderson and High Streets.

Whatever amount we raise, 20% goes to fund State of Ohio special needs projects through the Supreme Council and the rest is sent to our charity of choice (Columbus Special Olympics). With the money we raise for Columbus Special Olympics we help to pay for all of the Gold, Silver and Bronze medals for their annual "May Classic" track meet.

We will need 2 people on each corner for a total of 8 on each shift. **1st shift will be from 9:00-11:00 AM and 2nd shift will be from 11:00 AM – 1:00 PM.** If we get 16 or more volunteers the time goes quickly and we can raise the most money possible. If you can help, please contact **Chad Ogden at ogdenconcrete@gmail.com**

As Said by the Pope

"This is no time to be ashamed of the Gospel. It is the time to preach it from the rooftops. Do not be afraid to break out of comfortable and routine modes of living in order to take up the challenge of making Christ known in the modern metropolis."

Pope John Paul II

40 Days for Life Campaign

The 40 Days for Life Campaign was a big success. Bob Giesken reports that 8 or 9 parishioners

participated. Bob indicated that next year the vigil will begin with a Mass and then on to the abortion clinic to pray for the unborn.

For Your Benefit

By: Mark Mandel

The Knights of Columbus policy on replacing existing life insurance is as follows: "The Order does not condone the practice of soliciting replacement insurance or using cash values or dividends of existing policies to finance new business. In most cases, replacement is not to the policyholder's advantage."

The reasons for this are many. First, premiums usually increase on a new policy because it is issued at an older age. The older you are the more expensive life insurance is.

Many times, options available under the older policy are lost and sometimes not offered under the new policy. In addition, a new "incontestability" period begins with the new contract. The Order, for example, maintains the right to contest a claim up to two years from the issue date of the policy. A new policy brings with it a new issue date, and a new "incontestability" period.

You purchased the life insurance you have for a reason – probably a very good reason. It is a good idea to hold onto that coverage. That doesn't mean you have all the coverage you need or will ever need.

I'll be happy to meet with you at your convenience and perform a free, custom-tailored needs analysis for you and your family. My job is to determine any gaps in your existing coverage, and to help you to fill those gaps. It's not to replace your existing coverage.

Give me a call. **Mark Mandel** at **614-308-2294** or email markmandel@wowway.com

Catholic Reading

John Paul II,
By: William Brennan,
Ignatius Press,
\$19.51

This book reveals how through a discourse of truth-telling—calling things by their proper name—Pope John Paul II effectively exposed the corruption of language and thought fueling a death culture that is becoming increasingly embedded in medicine, human experimentation, commerce, law, and ideology. This is an indispensable guide to Pope John Paul's profound and practical insights to protect society's most defenseless individuals.

Our Lady, Consoler of the Afflicted

Knights' Korner

Look for the **Knights Korner** once a month in the OLP Sunday Bulletin. The "Korner" will include a short fact about the Knights and who to contact if anyone is interested in joining the OLP Knights. We can also include a brief announcement of an event or a thank you to the parish. It should appear about the same time as the Council newsletter.
