

OUR LADY OF PEACE LEISURE CLUB Issue 3

December, 2011

Dear Leisure Club Members,

I hope you had an enjoyable Thanksgiving holiday. Do we count you among the millions of Black Friday shoppers? I have to finish Thanksgiving Day first before I start shopping at midnight on the same day. As for Black Friday, not a chance that I'd go out and go into armed combat over a possible Christmas item. As you probably heard on the news, a woman in Los Angeles actually pepper sprayed some people so she could get the item she was after. What have we come to?

Our Leisure Club gathering was very enjoyable. Marilyn Wehner did the honors by preparing the turkey for the meal and it was delicious. The rest of the members did a wonderful job of providing a great variety of selections to make the meal complete. Bob Benkowski provided the music which always adds to the festivities. I hope Bob can do the same for our Christmas gathering and get us singing Christmas favorites. The Christmas luncheon will be on Thursday, December 15, at noon in the Gathering Place. Last chance to call in by December 7. Call my office *only* to leave the message—268-3426. Pray for good weather!

May this beautiful season of Advent be your preparation for a Blessed Christmas graced with good health and happiness.

For your reflection:

“Since we are travelers and pilgrims in the world, let us ever ponder on the end of the road, that is of our life, for the end of our roadway is home.”
